

2.3 ENVIRONMENTAL POLICY

This policy shall apply to anyone engaged in any Olympic Shipping AS activities. All personnel have a duty to act responsibly to prevent damage to the environment

We have a vision of zero emission to air and water from our activities.

We have a goal of zero spill to the environment.

We will continuously work to reduce environmental impact and risk related to our activities.

We will always work to improve our energy efficiency and environmental performance.

We will set specific environmental targets and improvement measures which shall be reviewed and audited annually.

We will comply with all applicable legislation and regulations and our own requirements for environmental aspects, including ISO 14001.

We will be in the forefront in our business in environmental issues and strive to use best available equipment and techniques.

We will communicate the environmental policy and targets to all personnel involved in our activities. Environmental aspects overview will be regularly reviewed as part of company's management review.

We will always have an overview of identified impact on the environment through regular and frequent reporting from the vessels.
